Ichabod Crane	MA 110	College Algebra	TR	8:30 am - 11:40 am (T)	Linda Knight	Teacher Created Material	Provided	Room 215

Important Information

The summer session is a short, intensive semester scheduled within six weeks. It is critical that all students attend all class sessions.
Missing one class is the same as missing more than an entire week of work. Make-up time for absences is not an option.
During the first week of summer classes, each high school will have someone available to direct students to their assigned classrooms.

Types of Instruction

(T) Traditional Class: meets 2250 minutes (3 hours 10 minutes) in a classroom setting two times per week for six weeks.

(H) Hybrid Class: meets 1500 minutes (3 hours 10 minutes) in a classroom setting one time per week for six weeks; and must include additional course work online.
