Dear Parents / Guardians:

The January Regents Examinations, mid-terms and final exams are upon us. During the week of January 24 – January 27, 2017 the high school will be administering the Regents Exams as well as mid-terms and final exams for specific courses. During this week, students should report to school **only** if they are scheduled to take an exam on that particular day.

Exam start times are: AM Session: 8:00 – 11:00 am
PM Session: 12:00 – 3:00 pm

- Exams will begin promptly at their start time. Students should make arrangements to arrive to school before the start of the exam.

In order to ensure the safety and validity of the Regents Exams, the following Pre-Clearance and Security Procedures will be in effect:

- Students will only be allowed to enter and leave the building through the main office doors. All other doors will be locked.
- Upon entering the building, students should report to the auditorium and wait for instructions and testing locations.
- Students will not be permitted to use a locker.
- Backpacks, bags, purses, etc. will not be permitted in the testing site. In the event that such items are brought to school, these items are subject to search by school officials and will be held in a secure location until testing is over.
- Students are expected to provide their own: pens, pencils, erasers and rulers. Calculators that are appropriate for each exam will be permitted, but memory and storage will be cleared before students enter the exam room.
- Snacks and lunches for those students that are taking more than one exam must be brought in a clear bag that can be easily inspected by school officials.
- All students are prohibited from bringing unauthorized electronic devices and cell phones into the testing site. Students should not bring unauthorized electronic devices or cell phones to school during Regents week. Unauthorized electronic devices or cell phones brought to school will be collected and stored in a secure location until the examination is complete.
- Students will be permitted to call home from the main office if they need to be picked up or make transportation arrangements.
- Students are to exit the building at the conclusion of the exam.
- Student parking will be available in the back lot near the tennis courts. Faculty will be parking in the student lot.
