

Capital Project Public Information Night

2910 Route 9
Valatie, NY 12184

T: 518-758-7575
F: 518-758-7579

*High School Auditorium
November 14, 7:00 PM*

Agenda for the Evening

Welcome and Introductions, 7 PM

Ichabod Crane Superintendent, Michael Vanyo, will introduce the Board of Education and the evening's speakers.

Development of Capital Project, 7:05 PM

Board of Education President, Matthew Nelson, will explain the development of the Capital Project and introduce a short video made by the District with Questar III BOCES.

CS Arch and Turner Construction, 7:15 PM

CS Arch Architecture and Turner Construction will present an overview of the Capital Project.

High School Department Chair STEAM Presentation, 7:35 PM

Presentation from ICC High School Department Chairs explaining how the Project will improve the District's Science, Technology, Engineering, Arts and Math (STEAM) initiative.

Tax Impact and Financial Overview, 7:50 PM

Bernard Donegan will present a brief financial overview of the Capital Project and its tax impact on school district residents.

Project Focus Break Out Groups, 8:00 PM

Attendees will break into groups of their choosing and go to one of the proposed wings scheduled for renovation. These will act as focused Q&A groups, allowing attendees to ask the questions most important to them. Break out room numbers are below:

- **Financial** - Room 109
- **Academics/Programming (STEAM)** - Technology Shop
- **Athletics** - HS Gymnasium
- **Building & Site Infrastructure** - Room 113
- **Health/Safety** - Room 110
