

Summer School Driver's Education Course

There will be a 6-week Driver's Education Course offered for eligible high school students beginning on July 1, 2008 and ending on August 12, 2008. To be eligible, a student must possess a valid operator's license or permit issued from the New York State Motor Vehicle Department.

Daily sessions will consist of either a one hour thirty minute driving session or a one hour thirty minute classroom lecture or both depending on the schedule developed by the summer school personnel. Sessions will be held from 7:00 AM to 1:00 PM each day.

This is an application. If you are interested in taking the summer course in Driver's Education, please fill out the form below. You will need parental permission in the form of a signature to sign up for the course. The registration date will be May 13^h and 15^h at the High School Guidance Office at 2:30 – 3:30 PM. There will be a charge of \$250 for the course for residents (\$275 non-residents) payable at registration. Make check payable to Ichabod Crane Central School.

Signing up for Driver's Education is a commitment by you to attend all scheduled sessions and arrive on the specified time on your schedule. New York State requires a certain number of hours both in the classroom as well as behind the wheel of the car. Failure to obtain the necessary hours would result in failure of the course and you would not be eligible for an official New York State Certificate of Completion.
